ClothesPAC Authorization Form

What is ClothesPAC?

ClothesPAC is the federally registered political action committee of the American Apparel & Footwear Association (AAFA). ClothesPAC is dedicated to supporting pro-apparel and footwear candidates for the United States Senate and House of Representatives.

What is an authorization form?

Federal law mandates that we have your permission to keep you up-to-date on ClothesPAC's programs and activities. The authorization form in no way obligates you to contribute to ClothesPAC or limits contributions you may make to candidates or party organizations. The purpose of this form is to provide the authorization required by Federal law to allow ClothesPAC to include the administrative and executive personnel of member companies in the political process through personal contributions. All contributions are voluntary and the suggested amount of a contribution is only a suggestion. The amount given by the contributor, or the refusal to give, will not benefit or disadvantage the person being solicited.

Who can sign authorization forms?

Authorization can be given by any corporate representative if the member company has not given authorization to another association PAC

Why should I sign all five years?

Federal law requires a signature for each year. By signing for all five years, ClothesPAC will not have to send you a notice every year to update our authorization. This will make it easier for us to communicate with you about our programs and events.
